

Education Requirement

EDUCATION REQUIREMENT

Au Pairs are required to take at least 6 semester credits or 72 hours at an accredited post-secondary university in the United States. Hosts assist au pairs with identifying school options, facilitating tuition payment, transportation and time off for classes.

TUITION & TRANSPORTATION

Hosts are responsible to pay up to \$500 for tuition and course materials towards the educational requirement for each standard program year. Au pairs should be prepared to pay additional costs. Both parties should keep a receipt of education costs paid.

Enrollment & Tuition Instructions:

Hosts are required to pay for the ground transportation for au pairs to get to their classes, including gas, parking, or public transportation. The transportation cost is in addition to the \$500/\$1,000 allowance for tuition and related material.

Transportation Plans:

FINDING A SCHOOL & CLASS SCHEDULE

Classes must be taken at a university, college or continuing education program sponsored by a college. Classes can be taken locally with American students or at a program designed specifically for au pairs. The hosts and au pair review options together and mutually agree on an option that works for everyone.
